WALKING SCHOOL BUS ROUTES—2013-14

Walking School Buses, led by parent and/or community volunteers, leave our meet-up points at the times listed below on Wednesday mornings (and other days if desired), light rain or shine. Let's be a walking school! Please join—for good health, to improve safety in the neighborhood, and to get to know your community!

If you live close-by, walk or bike to one of the meeting points. If you live far away, park near a meeting point and walk part of the way to school. If you live along one of the routes, meet up with the walking bus as it walks by!

STARTING WEDNESDAY (Month/Day) !
